

TOPRING

For over 45 years, we have been providing compressed air expertise and products to companies in the manufacturing, automotive and construction industries. Through our products and advice, we help companies improve their productivity, reduce the risk of accidents and save on their energy costs.

Since 1979 

AIR DISTRIBUTION

- Piping • Fittings • Installation accessories S05 & S07 & S08
- Valves S65
- Manifolds S47
- Manifold kits S07-S08 & S20-31

CONNECTION

- Hose reels S79
- Hoses S11-17 & S70-78
- Quick couplers S20-31 & S28-29
- Brass fittings S41 & S62
- Tool balancers S64
- Air fuses S58
- Hose clamps S48

COMPRESSOR AIR TREATMENT

- Water separators S56
- Filters S53
- Dryers S49
- Condensate drains S59
- Water-oil separators S57
- Anti-vibration connection hoses S07 & S08
- Compressor oils S69
- Compressor valves S09

TOOL AIR TREATMENT

- Filters, regulators, lubricators (FRL) S50 & S51 & S52
- Desiccant air dryers S49
- Pressure gauges S55
- In-line filters S62
- In-line regulators S62
- In-line lubricators S62
- Tool oils S69

BLOWING, VACUUMING AND INFLATION

- Blow guns and spray guns S60-61
- Tire inflators S63
- Tire pressure gauges S63
- Air chucks S63
- Vacuums S66-67

PNEUMATICS

- Push-to-connect fittings S39-46
- Pneumatic tubings S32-38
- Control valves S80
- Cylinders S81-83
- Valves and flow control valves S85
- Amplifiers S68
- Mufflers S86
